Django Too is a magnificent 83' sloop designed by Jacques Fauroux and custom built by Tréhard shipyard Antibes. She offers her guests superb comfort a superb sailing experience, due to only having the best technology. She has been built to the highest specification possible regarding superstructure, navigational instruments and all general equipment on board.

Internal accommodation includes four double cabins for 8 guests, all with ensuite. All cabins are equipped with flat screen, DVD drive and HiFi system. The lounge is spacious and very bright thanks to its numerous "sea view" portholes . The large table seats 8 guests. The lounge is equipped with a wide plasma screen and a Bose surround sound system, the latest DVDs and a varied music collection.

The cockpit, with a new bimini and comfortable beige cushions is the best place on the boat to be served breakfast & lunch, appreciate the good moments of navigation, just relax or enjoy a cocktail at sunset. All this comfort shouldn't take you away from the vast teak deck where you can participate in the sailing manoeuvres or stretch out in the sun watching the horizon ...
